

What Do I Know Lyrics

Ed Sheeran

Jo Jo: Ain't got a soapbox I can stand upon

Jo Jo: But God gave me a stage, a guitar and a song

Jackson: My daddy told me, "son, don't you get involved in

Jackson: Politics, religions or other people's quotes"

Skylar: I'll paint the picture, let me set the scene

Skylar: I know when I have children they will know what it means

Natalie: And I pass on these things my family's given to me

Natalie: Just love and understanding, positivity

Tia: We could change this whole world with a piano

Tia: Add a bass, some guitar, grab a beat and away we go

Ari: I'm just a boy with a one-man show

Ari: No university, no degree, but lord knows

Tira: Everybody's talking 'bout exponential growth

Tira: And the stock market crashing in their portfolios

Aliya: While I'll be sitting here with a song that I wrote

Aliya: Sing, love could change the world in a moment

Aliya: But what do I know?

Taylor: Love can change the world in a moment

Taylor: But what do I know?

Taylor: All Love can change the world in a moment

Ramsey: The revolution's coming, it's a minute away

Ramsey: I saw people marching in the streets today

Isabel: You know we are made up of love and hate

Isabel: But both of them are balanced on a razor blade

Marissa: I'll paint the picture, let me set the scene

Marissa: I know, I'm all for people following their dreams

Toby: Just re-remember life is more than fittin' in your jeans

Toby: It's love and understanding, positivity

All: We could change this whole world with a piano
All: Add a bass, some guitar, grab a beat and away we go
Boys: I'm just a boy with a one-man show
All: No university, no degree, but lord knows
All: Everybody's talking 'bout exponential growth
All: And the stock market crashing in their portfolios
Girls: While I'll be sitting here with a song I wrote
All: Sing, love could change the world in a moment
All: But what do I know?
All: Love can change the world in a moment
All: But what do I know?
All: Love can change the world in a moment

Sophia: I'll paint the picture, let me set the scene
Sophia: You know, the future's in the hands of you and me
Snekha: So let's all get together, we can all be free
Snekha: Spread love and understanding, positivity

All: We could change this whole world with a piano
All: Add a bass, some guitar, grab a beat and away we go
Boys: I'm just a boy with a one-man show
Boys: No university, no degree, but lord knows
All: Everybody's talking 'bout exponential growth
All: And the stock market crashing in their portfolios
