

## How to create a fan page for yourself.

Deadline June 5th at Midnight to have the Fanpage URL Messaged to Krystal via Facebook messenger

### Instructions:

1. Log into your normal, personal Facebook Account.
2. Click the small, downwards arrow found on the top right of the page (the same one you'd click to log out)
3. Click 'Create Page'
4. Choose 'Artist, Band, or Public Figure'
5. Pick a category - recommend Musician/Band
6. Create a name.  
We recommend that it be something like:

"**Jane Doe – Entertainer**", or  
"**John Smith – Entertainment Professional** "  
"**Jennifer Somebody – Official Fanpage**"

Something that is **not specific to singing or a talent** – example; we do not recommend putting Teen Idol Finalist or Singer. Finalist is a title you may hold now, but not going to be the only thing you want to be known for in the future potentially and you may not be able to change it when you want to due to restrictions on Facebook. If you need help, please ask.

7. You're done! Invite your friends to like your page and the Teen Idol Fanpage ([www.Facebook.com/NationalTeenIdol](http://www.Facebook.com/NationalTeenIdol)).

You're encouraged to add to the about section of the page, that you are a finalist in Teen Idol 2016 Season 11.

Here is a great YouTube video that will take you step-by-step through the process visually: <https://www.youtube.com/watch?v=n4N0yyB6hE8>
